About Seesam Insurance AS Latvia branch

- Seesam started providing of the insurance services in 1991 when Finnish “Pohjola Group Plc.” and U.S. insurance corporation “American International Group Inc.” founded Seesam non-life insurance joint stock company in Estonia. In 1993 and 1998 companies were founded in Latvia and Lithuania accordingly.
- In the end of 2011 merging of Seesam companies in the Baltic States was completed forming “Seesam Insurance AS”, which has become a serious insurance player on the scale of the Baltic States market. This company employs more than 350 employees ensuring client service in 32 client service centres.
- “Seesam Insurance AS” is 100 % subsidiary of the largest and most well-known Finnish non-life insurance company “Pohjola Insurance Company Ltd.”
- International rating agency “Standard & Poor’s” has allocated security rating of A+ to “Pohjola Insurance Company Ltd.” and it is one of the highest evaluations for insurance companies working in Northern Europe.
- In 2010 financial newspaper “Global Finance” announced “Pohjola Bank Plc.” that belongs to “OP-Pohjola Group” as 33rd among 50 of the most secure banks in the world.
- In July of 2011 when summarizing results of bank stress tests, European Banking Authority awarded 9th position in Europe to “OP-Pohjola” based on ability to cope with hypothetically inimical scenarios when evaluation 90 banking groups in Europe.
